

# ATOMIC MACHINE AND EDM INC.

## Quality Management System - Quality Manual

ISO 9001:2015 & AS9100D

Revision: 7

Initial Release: Jan 1, 2017

## **QUALITY POLICY / SCOPE**

Atomic Machine and EDM, Inc. will supply our customers with precision machining services for Defense, Aerospace, Medical and Custom Manufacturing Industries which meet or exceed customer's quality requirements.

We will comply with all requirements of the ISO 9001:2015 Standard  
*ISO 9001:2015 International Standard with No Design (Regular Print)*  
(ISO 9001:2015 Standard Requirements, QMS will be ISO certified.)

***AS9100D, Aerospace Standard with No Design (Bold Print)***  
***(AS 9100D Aerospace Standard Requirements which are documented in Italics & Bold Print and will be used as necessary to satisfy Aerospace requirements. QMS will be AS9100D Certified.)***

We will continually improve our quality management system, product, safety, external and internal processes to meet all interested parties needs and expectations.

*Bill Colburn, CFO*
